

ASSIGNMENT 1

1. What type of camera do you have? What other photographic equipment do you have? How suitable do you think this equipment is for travel photography? Do you think there is any other equipment you would need for travel photography? (Write 2 paragraphs)
2. Send in your resource file (whatever you have done so far). This does not need to be elaborate. We only want to get an idea of what information and contacts you have in photography.
3. Give your own explanations for the following:
 - a. SLR camera
 - b. ASA
 - c. ISO
 - d. Aperture
 - e. Filter
 - f. Focal Length
 - g. Focusing
 - h. View Finder
 - i. Available Light
 - j. Shutter speed
 - k. Light meter
 - l. Zoom lens
 - m. Wide angle lens

One line answers to each are adequate.

4. Write out your shopping list, together with a price list, and submit an explanation to your tutor saying why you think you need each of these things, and how important you think they are.
