

LESSON 1 - ASSIGNMENT

1. Bill is the sole survivor in a train crash. You are called in to conduct a critical incident debriefing.
 - a) What sort of emotional and physical responses do you think Bill may display in response to this stressful situation?
 - b) Define CISD.
 - c) Describe how you will conduct the CISD.
 - d) How can Bill recognize that he is in a crisis situation and may require counselling?
 - e) What would be the desired outcomes of this CISD?
